###

Background

On Saturday, May 14, the National Association of Letter Carriers, in conjunction with the U.S. Post Office, will be collecting food in every neighborhood across the nation to help stock local food banks that are struggling to keep up with demand. At this press event, organizers will share how easy it is for everyone to get involved and help feed the hungry on May 14. MEND representatives will discuss the critical needs in all communities due to the economic recession.
